Candle

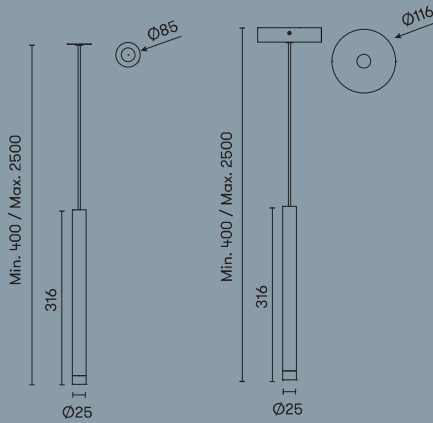

Candle

Poetry. The adaptation of a classic candle holder with a LED light source has produced this delicate luminaire, a real gem. The poetic and refined light creates and accentuates different areas. It also comes in an individual and triple version, and as a chandelier.

Poética. La reinterpretación de un candelabro clásico con fuente de luz led ha dado lugar a esta delicada luminaria que le confiere el valor de una joya. La proyección de su luz poética y refinada crea y acentúa espacios. También disponible en las versiones individual, triple y como un chandelier.

Poétique. La réinterprétation d'un candélabre classique à source lumineuse LED a donné naissance à ce délicat luminaire qui prend des allures de bijou. La projection de sa lumière poétique et raffinée crée et accentue les espaces. Également disponible en versions individuelle, triple et chandelier.
